Private Full Day Into The Vines And Wines

Spend the day exploring the picturesque Winelands region with its beautiful wine farms, quaint historical towns and wine-covered hills. It's also home to some of South Africa's leading restaurants and boutiques. The region is ideally suited to wine production and many of the wines produced here have won international awards.

Typically the regions explored are Stellenbosch, Franschhoek and Paarl, but this depends on your wine tastes. Your guide will structure the tour to suit your palate and interests. On a usual tour, the first stop is Stellenbosch, the second oldest town in South Africa, with canal-lined avenues, and magnificent examples of Cape Dutch architecture. Next head over the scenic Helshoogte Pass to Franschhoek, founded by French Huguenots over 350 years ago. It's lovely setting and café lined streets will charm you and afford the opportunity to do some shopping too.

🏠 Babylonstoren
📍 Franschhoek, South Africa

About Babylonstoren

Babylonstoren is a Cape Dutch farm with vineyards and orchards surrounded by the dramatic mountains of the Drakenstein Valley. It has an exceptionally well-preserved werf or farmyard dating from 1690. A fruit and vegetable garden of impressive botanical diversity supplies our Babel restaurant. Our guest suites echo Cape Dutch farm buildings constructed in the style developed in the Cape Colony of the 17th and 18th century. Outer walls are whitewashed and decorated with ornate gables and thatched roofs while interiors are pleasantly cool in summer, and heated by open hearths in winter. Our Garden Spa offers carefully selected spa treatments in a beautiful, tranquil and natural setting.

INSIDER'S TIP: Meandering walks span more than three kilometres in the garden. During spring, 7 000 clivias bloom down by the stream, where a secluded path runs in the shade of wild olives and oaks.
