# YOUR STAYS

## 🏠 AndBeyond Sossusvlei Desert Lodge 📍 Sossusvlei, Namibia

## About AndBeyond Sossusvlei Desert Lodge

Deep in the ancient Namib Desert, Sossusvlei Desert Lodge offsets a serene ambience against dramatic scenery. The range of desert adventures on offer will prove an irresistible invitation to your inner child. Ten stone and glass villas look out onto rock formations and multi-coloured sand dunes. They are air-conditioned against the heat of the day, and have cosy fireplaces for fresh desert evenings. Guest areas give onto unimpeded desert views and cool water gushes from an underground spring into the sparkling lodge pool. Mouth-watering meals are served in a dozen spectacular locations and when night falls, you can relax in a wingback chair at our state-of-the-art observatory while a professional astronomer reveals the mysteries of the stars.

**INSIDER'S TIP:** Our lodge is ideal for families with personalised safari activities for children.

🏠 Wilderness Serra Cafema  
📍 Kunene, Namibia

## About Wilderness Serra Cafema

Under verdant trees on the Kunene's banks, in an ancient landscape, discover Wilderness Serra Cafema.

The camp's home is in the 300 000-hectare Marienfluss Conservancy, owned primarily by the Himba and a model of impact-focused tourism.

A place to disconnect, unwinding to the sound of rushing water, and the silence of the desert. Rest on the elevated deck of your suite, just one of eight whose wood, canvas, thatch, and exquisite interior design pay homage to Himba culture.

Respectfully engage with the transient Himba, and observe their fascinating lifestyle. Hear their stories, share yours. Water levels permitting, boat on the river, with Angola's Serra Cafema...

# YOUR STAYS

🏠 Little Ongava  
📍 Etosha, Namibia

## About Little Ongava

Commanding magnificent vistas of the African plains, Little Ongava is arguably Namibia's most exclusive and luxurious lodge. Set in its own wildlife haven and sharing a boundary with the country's premier reserve – Etosha Pan National Park – you can expect an outstanding sojourn far from the madding crowd. This intimate camp has only three spacious suites with wonderful views of the waterhole below and plains that continue to the horizon, appreciated from your own private plunge pool and deck. Refreshments and meals are served in our stylish and relaxed entertainment area, while in the evenings you will enjoy fine dining under the starry African skies.

**INSIDER'S TIP:** Ongava Game Reserve was formed in 1991, when its shareholders converted four unproductive cattle ranches into a highly productive reserve, now home to large concentrations of wildlife.
